

934th Services Squadron

Why you should book with us:

- Price & Value—you won't pay less anywhere else and you won't beat our service at any price
- Location, location, location—next to MSP Airport **and** we offer a free shuttle

Minneapolis-St. Paul Air Reserve Station

The Minneapolis-St. Paul Air Reserve Station is conveniently located adjacent to the Minneapolis-St. Paul International Airport. Travel time is approximately seven minutes. The famed Mall of America is also only seven minutes away from the base.

On-site conference facilities include our award-winning North Country Lodge with over 300 rooms. Our base club offers meeting and dining rooms to service up to 175 attendees. The club is fully tech-equipped and can be arranged for break-out meetings, as well. (Please ask about conference facilities for larger groups.) Full dining options are available and include sit-down or buffet service.

Our off-base club is located across from MSP Airport and overlooks the Minnesota River. A variety of meeting and dining options are available and can accommodate up to 300 guests. Also an excellent choice for a more-formal presentation ceremony or conference wrap-up dinner.

Moreover, we make available to conference attendees full use of our new \$4 million-dollar fitness facility. There are cardio and weight machines, full-size basketball courts, tennis courts, fitness classes and massage therapy (by appointment).

We also offer entertainment planning for conference guests. We are able to

arrange city tours, museum visits, sport venues, and music and theater shows.

All facilities are modern, beautifully adorned, clean, and fully tech-equipped.

Also, each of our staff are committed to our award-winning service.

We are a military installation and, thus, subject to security measures. Your personal POC will arrange all security clearances prior to the start of any scheduled conference.

Carte-blanche service at budget prices. Give us a call for a personal tour of our facilities. You won't be disappointed.

Thank you.
